

Tree Request Form

For homeowners in and around Riverdale, Riverdale Park, Bladensburg, Cheverly, Eastpines, Templeton Knolls, Beacon

Heights.

Yes, I want a new tree in my yard this May!

Homeowners in several area neighborhoods are eligible to receive a professionally planted high-quality tree *this spring* at no charge, thanks to a new initiative of the Central Kenilworth Avenue Revitalization CDC (CKAR).

Homeowners must agree to water and mulch their tree for one year and provide two updates to the campaign on the health of the tree. If we cannot meet your request in this pilot phase of the campaign, it will be given priority for planting this fall.

Name: _____

Address: _____

Email: _____

Phone: _____

Number of trees requested: _____ (up to 3 may be possible)

Preferred location on property (front, back, or side yard):

Scan and return the completed form to peparker@ckarcdc.org or mail to:

CKAR CDC
6801 Kenilworth Ave., Suite 203
Riverdale, MD 20737

Species currently expected to be available include: oak, sycamore, redbud, river birch and others (subject to change). Most trees will be 6-8 feet tall when planted and 1" or more in diameter. The property owner must give permission for entry to the property for planting and sign the maintenance pledge.

Scan and return the completed form to: peparker@ckarcdc.org or mail to CKAR, 6801 Kenilworth Ave., Suite 203, Riverdale, MD 20737. We will contact you about next steps, including scheduling a visit to your yard.

Additional forms and information is available online at CKARCDC.org or phone [240-608-2527](tel:240-608-2527).

Go Green in 2017 – Plant trees!
