

CKAR & Partners Establish the Greater Riverdale Cares Initiative

The **Greater Riverdale Cares GofundMe** campaign was established by a partnership with CKAR, Councilmember Danielle Glaros, Kaiser Permanente and GoBrent Realtor to benefit businesses and families in the Greater Riverdale communities. Businesses that are closed because of these uniquely difficult times are paid a stipend which helps to keep their kitchens open and workers employed. The businesses are then preparing warm meals that are being sent to communities in Greater Riverdale to feed families in need.

Riviera Tapas, Banana Blossom Bistro, Denizen Brewing Co and Dumms 2Fifty Texas BBQ have prepared over 1200 meals that have been distributed at various locations in zip code 20737. Geppetto Catering will join these restaurants to provide support to families in the community.

We are grateful for all of the supporters that have helped us exceed our goal of \$10,000 and as of 4/28, we have raised over \$15,000. Together, we can support our local businesses, feed our neighbors, and demonstrate that **Greater Riverdale Cares**.

Your gift of \$10 will feed one person; \$40 will feed one family; \$120 will feed three families. No gift is too small – or too large! How many will you feed today?

Thank you for your support!
